## APHIS-Approved Papaya Orchards in Chiapas, Mexico

The consignment **must** be accompanied by a phytosanitary certificate (PC) issued by Sanidad Vegetal specifying one of the orchards and its municipality. There **must** be an additional declaration (AD) stating that: “The papayas in this consignment have been inspected and found to be free of *Paracoccus marginatus*.”

Mexican papayas may enter the United States **only** if sent from the following approved orchards:
