

Listing of Approved State CWD Herd Certification Programs (HCPs) – September 2018

A current list of Approved and Provisional Approved State CWD HCPs is provided below with an explanation of the terms 'Approved State' and 'Provisional Approved State' for clarification of these statuses. Status updates will be posted as additional Approved State CWD HCPs are determined.

Approved State – A state that the Administrator has determined has an Approved State CWD Herd Certification Program (HCP) that meets the minimum requirements of the national CWD HCP.

Provisional Approved State – A state that the Administrator has determined has a State CWD HCP that does not meet all the national CWD HCP minimum requirements upon application to the program. APHIS and the State will work to develop a plan with appropriate time frame to meet all program requirements.
