

## Agreements Services Center- Quarterly Meeting Notes 2/12/20

- S&T update (Michael Peranio)
  - Updates coming down the pike. What types of agreements?, etc.
- Sci5 presentation (Heather Allen- Science Committee)
  - Refer to “Science Five” presentation material (Powerpoint)
- E-Auth (Emily Brown)
  - Refer to “ezFeds.EAuth.NextGen” presentation material (PDF)- user friendly updates
- SAM certification/SF-424B (Eileen Berke)
  - See attachement
  - OMB memo- house cert and reps in one central place- SAM.gov
  - SF-424B, AD3030, AD3031 forms obsolete – if certify on SAM
  - Gave year to complete. These forms are now no required by recipients
    - However SF-424B is still mandatory in eFG but hopefully will removed by April at the earliest.
    - Will send update as soon as we have it. Awaiting info from OCFO on what to do in the interim.
    - Verbiage for funding opportunities and attachment to come
  - Non-completion of grants certification- determining what is the consequence of non-completion.
- Tier 1 update (Dawn Halvorson)
  - Refer to “Tier1 update” presentation material (Word)
