PLAN SPLITTING A SERVICE AREA AND CREATING A NEW ENROLLMENT CODE (IN ADDITION TO THE EXISTING ENROLLMENT CODE)

Enrollees in the Fresno County service area of the Northern California service area who do not change their enrollment code from 59 or KC to NZ during Open Season will remain enrolled in the Northern California 59 or KC enrollment code.

State	Plan Name	2014 General Location	2014 Codes	2015 Codes and Service Areas
California	Kaiser Foundation Health Plan-Northern California	Northern California including Fresno County	591, 592, 594, 595 KC1, KC2	591, 592, 594, 595, KC1, KC2 Northern California Region NZ1, NZ2, NZ4, NZ5 Fresno County Region

Kaiser Foundation Health Plan-Northern California will split its Northern California service area, codes 591, 592, 594, and 595 (High Option and Standard Option) and KC1 and KC2 (Basic Option) into two service areas under separate FEHB brochures (one brochure for Northern California and one brochure for Fresno County). The Plan’s Northern California region will retain the current codes 591, 592, 594, and 595 (High Option & Standard Option) and KC1 and KC2 (Basic Option) under the existing FEHB brochure, RI 73-003, contract number CS 1044-A. The Plan’s Fresno County Region will receive the new enrollment codes of NZ1, NZ2, NZ4, and NZ5 (High Option & Standard Option) under a separate FEHB brochure, RI 73-889, contract number CS 1044-D. Current plan enrollees that work or live in Fresno County should make a positive enrollment election into enrollment codes NZ1, NZ2, NZ4, or NZ5 during Open Season.

If enrollees in the Plan’s Fresno County region (enrollment codes 59 or KC) do not make a positive enrollment election, they will remain enrolled in their original Northern California High Option or Standard Option 59 enrollment code or Basic Option KC enrollment code. Also, the 2015 premiums for the NZ codes for the new Fresno County region will be lower than the premiums for the 59 and KC codes for the Northern California region
