**TO:** All Employees

**FROM:** Doug Nash, Deputy Administrator, Marketing and Regulatory Programs Business Services

**SUBJECT:** COVID-19 Information for Employees on My.APHIS

**DATE:** March 22, 2020

APHIS Colleagues,

Thank you to everyone who submitted questions through the [MRP Covid-19 email box](#). We posted the questions we received the most, along with the answers, on our [My.APHIS COVID-19 Response page](#). We are adding new questions regularly and updating answers as circumstances change, so please check back often.

We also posted other materials and information, including messages from USDA and APHIS leaders, [guidance for field employees](#), and a [“how to” document](#) on connecting to agency IT systems when you telework.

Please continue to send any questions you have that are not already answered in the [Q&A](#) to the [MRP Covid-19 email box](#). We have several people monitoring the email box who will get back to you as quickly as they can.

Please continue to keep you and your family safe and healthy.
