Telephone Number: 301-851-3300
Fax Number: 301-851-2239
Email: ov@aphis.usda.gov
Email: asap@aphis.usda.gov

**Veterinary Biological Products** (veterinary vaccines, bacterins, antiserum, diagnostic test kits, etc)
Telephone Number: 301-851-3609

**Genetically Engineered Organisms:**
Telephone Number: 301-851-3930
Email: biotechquery@aphis.usda.gov

**Do I need Level 2 access?**

The USDA eAuthentication system supports different levels of authentication. ePermits requires a **Level 2 authentication** for most permit applications.

Exceptions to the Level 2 requirement are made for the **APHIS Form 2005 (Application for Permit for the Research and Evaluation or Transit Shipment of Veterinary Biological Products)** and also for some biotechnology permits and notifications. For more information about Biotechnology eAuthentication requirements, please refer to: [http://www.aphis.usda.gov/permits/brs_epermits.shtml](http://www.aphis.usda.gov/permits/brs_epermits.shtml).

**How do I obtain a Level 1 account?**

- Browse to: https://identitymanager.eems.usda.gov/Registration/index.aspx
- Click **Register for a Level 1 Account**
- Follow the instructions to request a Level 1 account online
- You will receive a confirmation email from eems.support@ocio.usda.gov with the subject “eAuthentication: Action Required - Instructions to Activate Your USDA Account with Level 1 Access”.
- Click the **ACTIVATE MY ACCOUNT** link in the confirmation email

**How do I obtain a Level 2 account?**

- Browse to: https://identitymanager.eems.usda.gov/Registration/index.aspx
- Click **Register for a Level 2 Account**
- Follow the instructions to request a Level 2 account online
- You will receive a confirmation email from eems.support@ocio.usda.gov with the subject “eAuthentication: Action Required - Instructions to Activate Your USDA Account with Level 2 Access”.
- Click the **ACTIVATE MY ACCOUNT** link in the confirmation email
- The online instructions then ask you to present your Government issued photo ID to a USDA Local Registration Authority (LRA). You can skip this step
- Send an email to ePermitsHelp@aphis.usda.gov and include the words – **Self Certify** in the subject line. Please include your contact phone number and the type of APHIS permit you wish to apply for (PPQ (Plant/Soil), VS (Animal/Animal Products) or BRS (Biotech Organisms) in the email.
- A representative from APHIS will call you. The representative will ask you a series of questions to confirm your identity. When you answer the questions correctly, your ePermits account will be activated - you will now have a USDA level 2 eAuthentication account

**How do I upgrade my Level 1 account to Level 2?**

- Browse to:  https://identitymanager.eems.usda.gov/Registration/index.aspx
- Click **Login to your profile**
- Login with your Level 1 user ID and password
- Follow the instructions to request a Level 2 account online
- You will receive a confirmation email from eems.support@ocio.usda.gov with the subject “eAuthentication: Action Required - Instructions to Activate Your USDA Account with Level 2 Access”.
- Click the **ACTIVATE MY ACCOUNT** link in the confirmation email
- The online instructions then ask you to present your Government issued photo ID to a USDA Local Registration Authority (LRA). You can skip this step
- Send an email to ePermitsHelp@aphis.usda.gov and include the words – **Self Certify** in the subject line. Please include your preferred contact phone number in the email
- A representative from APHIS will call you. The representative will ask you a series of questions to confirm your identity. When you answer the questions correctly, your ePermits account will be activated - you will now have a USDA level 2 eAuthentication account

**Where are my applications/permits?**

There are two common reasons why you may not see your applications or permits when you login to ePermits. It may be that you have another eAuthentication account and those applications/permits are associated with that account. Alternately, it may be that if you faxed or mailed an application to APHIS, that application needs to be “transferred” to your account.

To look for your other eAuthentication accounts:

- Browse to:  https://www.eauth.usda.gov/mainPages/eAuthSiteMap.aspx
How do I obtain a copy of my permit application?

- Login to the ePermits system (https://epermits.aphis.usda.gov)

If the application has not yet been submitted:

- Click ... All saved applications
- Click the application number
- Click the Printable Version button at the top of the page
- The application will open in a new window. You can now print or save it

If the application has been submitted to APHIS, but the permit (or other response) has not been issued:

- Click ... All saved applications
- Click the Printer Icon in the Current column next to the application in question
- The application will open in a new window. You can now print or save it

If the permit (or other response) has been issued:

- Click ... All saved permits/responses
- Click the Printer Icon in the Current column next to the response in question
- The application will open in a new window. You can now print or save it

Note: If you did not submit your application via the ePermits system, you will need to contact the correct program office to request a copy of your permit application.

How do I obtain a copy of my issued permit?

- Login to the ePermits system (https://epermits.aphis.usda.gov)
- Click ... All saved permits/responses
- Click on the issued permit number
- The permit will open in a new window. You can now print or save it
Note: If you did not submit your application via the ePermits system, you will need to contact the correct program office to request a copy of your permit application.

How do I amend a VS application?

Once you have submitted a VS application to APHIS, it is no longer possible for you to amend that application online in the ePermits system. (You can amend an issued permit, but you cannot amend a pending application online.) If you need to amend a pending application, please contact the appropriate department:

**Animals Products:**
Telephone Number: 301-851-3300, Option 5
Fax Number: 301-734-8226
Email: AskNCIE.Products@aphis.usda.gov

**Live Animals:**
Telephone Number: 301-851-3300, Option 2
Fax Number: 301-734-4704
Email: VS-Live.Animals.Import.Permits@aphis.usda.gov

**Select Agents, Organisms and Vectors:**
Telephone Number: 301-851-3300, Option 1
Fax Number: 301-851-2239
Email: ov@aphis.usda.gov
Email: asap@aphis.usda.gov

How do I renew or amend a VS 16-6A or 17-135 permit?

VS 16-6A (importation and transportation of controlled materials and organisms and vectors) and VS 17-135 (importation of live animals) permits may be amended if the permit has not yet expired. VS 16-6A permits may be renewed if there are 6 or fewer weeks before the permit expiration date. VS 17-135 permits may not be renewed. However you, may use the “Copy Function” described in another section further down to create a new VS17-129 application.

To submit a VS amendment or renewal application:

- Click Create/Renew/Amend Application
- Select Veterinary Services
- Select the appropriate Form
- Select the applicable answer and click Continue (Select Agent).
- Select the Renewal Application or Amendment Application radio button and choose your permit from the Select Permit drop-down menu
- If you do not see your permit in the drop-down menu, then enter the permit number into the Enter Permit Number if not found above field and enter the Issuance and Expiration Dates
- Change any application information as required
How do I renew or amend an APHIS Form 2005?

The APHIS Form 2005 is an application for Veterinary biological products; which includes vaccines, bacterins, antitoxins, antiserum, diagnostic kits, and certain immunomodulators for the prevention, diagnosis, management or cure of animal diseases. It may not be amended or renewed; a new permit with a new permit # will be issued. However, ePermits will allow you to automatically copy all of the information from a previous application onto a new application form. This feature is helpful if you are submitting multiple similar applications, or submitting a new application which is similar to a previous application.

To create a new application by copying a previous application:

- Log into ePermits (https://epermits.aphis.usda.gov)
- Click Create/Renew/Amend Application
- Select Veterinary Services
- Select APHIS 2005
- Select the applicable answer on the Application Type page
- On the Copy Previous Application? page, Select the Copy radio button and select the application number/permit number from the drop-down menu
- Change any application information as required
- Certify and Submit the application for processing

For further information on the import of Veterinary Biological Products (veterinary vaccines, bacterins, antitoxins, antiserum, diagnostic kits, and certain immunomodulators, etc.) contact the Center for Veterinary Biologics at 301-851-3609, or by fax at 301-734-4314.

How do I renew or amend a PPQ permit?

PPQ permits may be amended only up until 3 months prior to the expiration date. PPQ permits may be renewed during the period 3 months prior to the expiration date through 1 month after the expiration date.

To submit an amendment or renewal application:

- Log into ePermits (https://epermits.aphis.usda.gov)
- Choose Create/Renew/Amend Application
• Choose Plant Protection and Quarantine
• Choose the correct form (PPQ 525A, PPQ 526, PPQ 546, PPQ 585, PPQ 586, PPQ 587 and PPQ 588)
• Choose Amendment, Renewal Without Changes or Renewal With Changes
• Select your Permit from the drop-down menu
• Change any application information as required
• Certify and Submit the application for processing

Note: You cannot amend or renew a PPQ 621, please use the Copy function described below to create a new PPQ621 application.

Is there a shortcut (copy function) to create multiple similar applications?

ePermits will allow you to automatically copy all of the information from a previous application onto a new application form. This feature is helpful if you are submitting multiple similar applications, or submitting a new application which is similar to a previous application.

If the permit for the previous application has not yet been issued:
• Click …All saved applications on your Home page
• Click the Copy icon ( ) for the appropriate application
• ePermits will create a new application that contains all of the information from the previous application
• Change any information as required, and submit the new application for processing

If the permit for the previous application has been issued:
• Click …All saved permits/responses on your Home page
• Click the Copy icon ( ) for the appropriate application
• ePermits will create a new application that contains all of the information from the previous application
• Change any information as required, and submit the new application for processing
How do I request that system ownership of a VS 16-3 permit be transferred to my account?

- Click Create/Renew/Amend Application
- Select Veterinary Services
- Choose VS Form 16-3
- Select the applicable answer and click Continue (Select Agent)
- Type in the Permit number, Issuance and Expiration Dates
- A message will pop up stating the permit exists in the system but was not submitted by you. Click on the link that asks you to click here to email NCIE to request a transfer of ownership
- You will receive a confirmation email when the transfer is complete

How do I request that system ownership of a permit other than a VS16-3 be transferred to my account?

Contact epermitshelp@aphis.usda.gov and request that ownership of the application be transferred to you.

How do I request labels?

- Login to the ePermits system (https://epermits.aphis.usda.gov)
- Click on My Shipments/Labels
- Click Request link corresponding to the appropriate permit
- Populate the required fields and click Submit

What is the status of my label request?

**Plants and Plants Products:**
Telephone Number: 301-851-2046 or Toll free: 1-877-770-5990
Email: PlantProducts.Permits@aphis.usda.gov

**Live Plant Pests, Biological Control Agents, Bees, Parasitic Plants, Federal Noxious Weeds, or Soil:**
Telephone Number: 301-851-2046 or Toll free: 866-524-5421
Email: Pest.Permits@aphis.usda.gov
I receive the error message “Internet Explorer has stopped working”

Turn on **Internet Explorer (IE) Compatibility View:**

- Log into ePermits ([https://epermits.aphis.usda.gov](https://epermits.aphis.usda.gov)).
- Select **Tools** in the Internet Explorer Menu Bar (If you don’t see a Menu Bar, turn on the Menu Bar by right clicking in an empty space next to your open tab(s))
- Select **Compatibility View.** The page should then refresh and take you into ePermits

After I enter my user ID and password I am routed back to the login page again

Turn on **Internet Explorer (IE) Compatibility View:**

- Log into ePermits ([https://epermits.aphis.usda.gov](https://epermits.aphis.usda.gov)).
- Select **Tools** in the Internet Explorer Menu Bar (If you don’t see a Menu Bar, turn on the Menu Bar by right clicking in an empty space next to your open tab(s))
- Select **Compatibility View.** The page should then refresh and take you into ePermits

When I click “Continue”, the page refreshes, my data is gone, and I am still on the same page

Turn on **Internet Explorer (IE) Compatibility View:**

- Log into ePermits ([https://epermits.aphis.usda.gov](https://epermits.aphis.usda.gov)).
- Select **Tools** in the Internet Explorer Menu Bar (If you don’t see a Menu Bar, turn on the Menu Bar by right clicking in an empty space next to your open tab(s))
- Select **Compatibility View.** The page should then refresh and take you into ePermits

I cannot certify and submit my application

- Ensure that all required fields are populated and that an article or product has been entered
- Verify that no special characters (& > # etc.) have been entered

When I click the link in the email from ePermits, I get an error
• Login to the ePermits system ([https://epermits.aphis.usda.gov](https://epermits.aphis.usda.gov))
• Click New Messages in your Home page in ePermits

**I am a CBP Inspector and I am unable to search for permits**

If you do not have the access you need (you have broker or applicant access), please request the CBP role from your supervisor. Provide the following information to your supervisor:

• First and Last Name
• eAuthentication Login ID (User name)
• Port Location
• User Number (You can find your user number by logging into ePermits, then clicking My Profile. Your User Number is in the top right)

Your supervisor will forward your information to the Director of Field Operations Point of Contact (DFO POC). The DFO POC will then forward that request to the HQ POC, who will approve the role request.
