I, the undersigned veterinarian licensed to practice by the state of \_\_\_\_\_,  
do hereby certify that after due enquiry and to the best of my knowledge and belief the animals  
identified below meet the following requirements:

1. The animals were not less than eight (8) weeks of age at the time of examination by the undersigned veterinarian.
2. The animals were vaccinated no earlier than six (6) weeks of age for distemper, hepatitis, parvovirus and parainfluenza virus with a vaccine licensed by the United States Department of Agriculture.

Date of vaccination \_\_\_\_\_

Name of vaccine \_\_\_\_\_  
and manufacturer \_\_\_\_\_

Serial number \_\_\_\_\_

3. The animals were examined by me and found to be healthy and free of any clinical evidence of disease.

Date of examination \_\_\_\_\_

Time of examination \_\_\_\_\_  
(including time zone)

4. Animals three (3) months of age and greater were vaccinated for rabies.

Date of vaccination \_\_\_\_\_

Name of vaccine \_\_\_\_\_

5. The animals are clearly identified.
6. The animals can be transported to Canada without undue suffering by reason of illness, injury, fatigue or any other reason.
7. The exporter/shipper has been advised that the animals must be presented for inspection at the first port of entry in Canada within seventy-two (72) hours of the time of examination by the licensed veterinarian.
