Veterinary Health Certificate for Export of Dogs and Cats from the United States of America to the United Arab Emirates

Veterinary Authority UNITED STATES DEPARTMENT OF AGRICULTURE	Date Of Issue	Certificate Number
--	----------------------	---------------------------

Certification Statements:

I, the undersigned USDA accredited veterinarian, certify that the animal(s) described above meets the following conditions:

- I have verified the presence of the microchip(s) listed in box 21.
- I certify that the animal(s) described in box 21 have been inspected by me on this date. The animal(s) appear to be free of any infectious or contagious diseases and, to the best of my knowledge, exposure thereto, which would endanger the animal or other animals or would endanger public health.
- To my knowledge, the animal(s) described in box 21 originated from an area not quarantined for rabies and has/have not been exposed to rabies.
- For dogs and cats, a rabies vaccination has been administered at least 21 days prior to arrival into the UAE. The age of the animal at the time of vaccination should not be less than 3 months (12 weeks).

	Microchip Number	Date of Rabies Vaccination	Name & Manufacturer of Vaccine	Batch/Serial Number	Period of Validity	
					From	To
#1
