

# DO I NEED TO DECLARE MY SHIPMENT UNDER THE LACEY ACT?

\* The declaration requirement is based on the HTS code of the complete product being imported and not its component parts. If your product does not fall on the implementation schedule, you do not have to submit a declaration

\*\* You are required to provide a declaration if the plant is listed under the Endangered Species Act or a similar State law, or is listed in an appendix to the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES).
