Export Animal Products to China

Last Modified:

Animal Product Export Requirements - Select a Country - ▼ Go

NOTE: The Special Administrative Regions of China (Hong Kong and Macau) have import requirements separate from China. For known import protocols for Hong Kong, please visit the International Animal Product Regulations (IREGs) page for Hong Kong. For non-posted animal product requirements for Hong Kong and for all animal product requirements for Macau, exporters should work with their importers in these respective regions.
