Export Animal Products to Croatia

Last Modified:

Animal Product Export Requirements

- Select a Country - ▼

[Go](#)

This country is a member state of the European Union. In addition to any commodity-specific information listed on this page, the European Union has harmonized requirements for certain animal-origin products. Visit [Export Animal Products to the European Union](#) to learn more about harmonized protocols.

Exporters must have their importers confirm with the appropriate Ministry of Animal Health that Croatia will accept product on the appropriate EU certificate prior to shipment.

Need Help Exporting Animal Products?

If you have any questions or concerns about the procedures and requirements for exporting animal products, or to obtain a zoosanitary certificate for an animal product, contact the APHIS Veterinary Services office covering the area from which the product will be exported, the area in which your office is located, or the area in which the product is manufactured.
