# Export Animal Products to Iceland

Last Modified:

Animal Product Export Requirements

- Select a Country -

[Go](#)

---

## Product Registration Requirements

Importers in Iceland must be registered for the import of most animal-origin products. The importer must also register the product with the pertinent government authorities in Iceland. U.S. exporters should consult with their prospective importers regarding registration requirements.

## Language requirement for Certificates

Iceland will accept English only certificates. They do not require English certificates to be bilingual.

## Commodity Specific Information

[Animal by-products \(including pet food\)](#) (10.62 KB) - March 2012

[Milk and milk-based products for human consumption](#) (31.05 KB) - February 2003

[Passenger baggage \(including fishing gear and riding clothes/boots/equipment\)](#) (14.38 KB) - June 2012

# Need Help Exporting Animal Products?
