# Export Animal Products to Serbia

Last Modified:

Animal Product Export Requirements

- Select a Country - ▼

[Go](#)

---

## Alert

On January 21, 2025, Serbia imposed a ban on animal products originating from or transiting countries affected with Foot and Mouth Disease (FMD). For any commodities transiting Europe, check for restrictions on transit due to FMD prior to shipment. Please see below the original order issued by Serbian authorities. [Learn More](#) (200.35 KB)

## Commodity Specific Information

## Need Help Exporting Animal Products?

If you have any questions or concerns about the procedures and requirements for exporting animal products, or to obtain a zoosanitary certificate for an animal product, contact the APHIS Veterinary Services office covering the area from which the product will be exported, the area in which your office is located, or the area in which the product is manufactured.
