Animal Products to Uruguay

Exporters of animal products, including poultry- and bovine-based products, should be advised to verify the need for an import permit issued by the government of Uruguay's General Directorate of Livestock Services (DGSG) and that such products meet Uruguay's requirements.

The requirements of Uruguay for registration of products for animal feeding are available in Spanish on <http://www2.mgap.gub.uy/portal/page.aspx?2>

Commodity Specific Information

[Dairy Products](#) (12.74 KB) - February 2012

Need Help Exporting Animal Products?

If you have any questions or concerns about the procedures and requirements for exporting animal products, or to obtain a zoosanitary certificate for an animal product, contact the APHIS Veterinary Services office covering the area from which the product will be exported, the area in which your office is located, or the area in

which the product is manufactured.
