Tribal Relations

Last Modified:

APHIS works with Native American Tribes to protect agriculture and natural resources. We also provide agricultural assistance to Tribes. We aim to strengthen agricultural networks while building a future where history is acknowledged and sovereignty, ancestral heritage, and cultural values are respected.

Each Tribe has the opportunity for government-to-government consultation with APHIS in developing policies that may have Tribal implications as described by

[Executive Order 13175: Consultation and Coordination With Indian Tribal Governments.](#)

Featured

[About Tribal Relations](#)

We work alongside Native American Tribes to safeguard their livestock, crops, and natural resources.

[Opportunities for Native Youth](#)

We offer paid internships, summer programs, and other career opportunities for students and recent graduates of all educational backgrounds.

[Learn More](#)

[Emergency Response Training for Tribal Nations](#)

We cooperate with Native American organizations to host training workshops that help prepare Tribes for animal health and plant health emergencies.
