## Report EAB and Ash Tree Damage

Last Modified:

If you think you've seen the emerald ash borer (EAB) or ash tree damage caused by an infestation, please complete the form below. Or if you prefer to make a report by phone, please call [1-866-322-4512](tel:1-866-322-4512). If you have a digital camera, take pictures of the insect and the damage to your ash trees. If possible, place an adult in a container and freeze it, and any larvae in a container with rubbing alcohol, to help with identification.

Need help identifying symptoms? Click here to view pictures of damage and the insect.

**Adult Beetle**

**Bark Splits**

**Bark Peeling**

**Branch Dieback**

**Epicormic Shoots**

**Holes (D-shape)**

**Larva**
