Final Wildlife Services NEPA Documents by State or National Program

For easy reference, we make final NEPA documents available below, organized by State or national Wildlife Services program. These include final environmental assessments, environmental impact statements, findings of no significant impact (or "FONSIs"), and records of decision. Most of these documents are also available on regulations.gov. There, you can search by subject, State, and more.

[1] Portions of information that directly or indirectly allow third parties to deduce or obtain information leading to the identity of an agricultural producer, owner of agricultural land, or the land itself have been redacted pursuant to Section 1619 of the Food, Conservation, and Energy

Act of 2008.

[2] Titles above without a docket number are **not** available on regulations.gov.

How Do I Request Mailed Copies of Final NEPA Documents?

Send a written request by mail to the Wildlife Services office in the State or national program associated with the documents. Please be sure to include a return mailing address with your request.

Wildlife Services State Offices
