Elements of the Orientation Program

The elements of the Orientation Program are:

- A. Federal animal health laws, regulations, and rules;
- B. Interstate movement of animals;
- C. Import and export requirements for animals;
- D. USDA animal disease eradication and control programs;
- E. Laboratory support in confirming disease diagnoses;
- F. Ethical and professional responsibilities of an accredited veterinarian;
- G. Foreign animal disease awareness;
- H. Animal health emergency management; and
- I. Animal health procedures, issues, and information resources relevant to the State in which the veterinarian wishes to perform accredited duties.

The Orientation Program may be taken during veterinary medical school or during a session scheduled by the NVAP Coordinator.

Contact Us

NVAP Coordinators

NVAP coordinators are available to assist you with obtaining, maintaining, and updating your accreditation. As an accredited veterinarian, you must notify APHIS

when your home or business contact information changes, one of your veterinary licenses expires or otherwise lapses, or you need to become authorized to perform accredited duties in an additional State.

Contact your NVAP coordinator for help with these needs or anything else related to your accreditation.
