# Pet Travel From the United States to Trinidad and Tobago

Last Modified:

## Electronic Signature **ACCEPTED**; Original Ink Endorsement **REQUIRED**

**For Accredited Veterinarians:** Electronic signature **ACCEPTED**

**For APHIS VMO:** Original ink endorsement **REQUIRED**

USDA-accredited veterinarians can electronically issue health certificates and use VEHCS (Veterinary Export Health Certification System) to submit them to USDA for endorsement.

**USDA must ink-sign and emboss the health certificate.**

What This Means for You

**Accredited Veterinarians:** Use the links below to access or get help with VEHCS. Learn more about [how to issue export health certificates](#).

**Animal Owners/Shippers:** You can arrange to have your health certificate returned by mail (a prepaid, preaddressed return label must be provided during

certificate submission). The endorsed health certificate—ink-signed and embossed—must accompany the animal(s) during shipment or travel.

## **Electronic Signature and Digital Endorsement ACCEPTED**

**For Accredited Veterinarians:** Electronic signature ACCEPTED

**For APHIS VMO:** Digital endorsement ACCEPTED

USDA-accredited veterinarians can electronically issue health certificates and use VEHCS (Veterinary Export Health Certification System) to submit them to USDA for digital endorsement.

**USDA can digitally endorse the health certificate and return it electronically.**

### What This Means for You

**Accredited Veterinarians:** Use the links below to access or get help with VEHCS. Learn more about [how to issue export health certificates](#).

**Animal Owners/Shippers:** The endorsed health certificate can be printed out directly from VEHCS and does **not** have to be mailed back to you. The printed, endorsed health certificate must accompany the animal(s) during shipment or travel.

## **Electronic Signature ACCEPTED; Digital Endorsement for SOME COMMODITIES ONLY**

**For Accredited Veterinarians:** Electronic signature ACCEPTED

**For APHIS VMO:** Digital endorsement for SOME COMMODITIES ONLY

USDA-accredited veterinarians can electronically issue health certificates and use VEHCS (Veterinary Export Health Certification System) to submit them to USDA for endorsement.

**Digital endorsement varies by species—see requirements on this page for details.** The health certificate either bears the original ink signature and embossed seal **or** digital signature/seal.

#### What This Means for You

**Accredited Veterinarians:** Use the links below to access or get help with VEHCS. Learn more about [how to issue export health certificates](#).

**Animal Owners/Shippers:** Digitally endorsed health certificates can be printed out directly from VEHCS. For non-digitally endorsed health certificates, you can arrange to have your health certificate returned by mail (a prepaid, preaddressed return label must be provided during certificate submission). A paper version of the endorsed health certificate must accompany the animal(s) during shipment or travel.

## Travel Requirements Based on Pet Type

**Carefully read ALL of the requirements related to your pet on this page.**

- This page provides the most recent entry requirements and can change without notice.
- It is the responsibility of the veterinarian to make sure the pet has met all health requirements of the destination country before issuing a health certificate.
- Failure to meet the requirements may result in problems gaining certificate endorsement or difficulties upon arrival in the destination country.
- Health certificates must be legible, accurate, and complete.

## Dogs and Cats

### General Process

1. Have your animal micro-chipped with a brand accepted by the International Standards Organization (Standard 11784 or Annex A to standard 11785 with the ISO Standard Chip prior to the animal receiving a rabies vaccination.
2. Animal must be vaccinated against rabies.
3. Animal must have a rabies blood test (FAVN or RFFIT) done at least one (1) month after vaccination. This test must be done at an approved laboratory, and Original Laboratory Results must sent directly via email by the Laboratory to the Office of the Chief Veterinary Officer at: [aphmalmr@gmail.com](mailto:aphmalmr@gmail.com)
4. Intact dogs must be tested negative for *Brucella canis*.
5. Animals must be treated for internal and external parasites prior to export.
6. Names of all countries where the animal has resided for the six months prior to export must be provided on the health certificate.
7. Apply to the Trinidad and Tobago Office of the Chief Veterinary Officer at [aphmalmr@gmail.com](mailto:aphmalmr@gmail.com) for an import permit at least (1) one month in advance of your planned travel date, and ensure you have an import permit prior to entry. Apply using the following application: [APPLICATION FOR A PERMIT TO IMPORT DOGS AND CATS](#) (227.09 KB)
8. An international health certificate must be issued by a USDA Accredited Veterinarian and endorsed by USDA within (7) days of arrival to Trinidad and Tobago. NOTE: If submitting the health certificate via the [Veterinary Export Health Certificate System \(VEHCS\)](#), you may proceed directly to VEHCS **without** downloading the form below.  
[Veterinary Health Certificate](#) (359.97 KB)
9. Notify the Veterinary Officer, Quarantine, Veterinary Services, telephone (868) 693-2910 and [nadcaph2013@gmail.com](mailto:nadcaph2013@gmail.com) at least two (2) working days before the scheduled time of arrival.

For further information contact the Office of the Chief Veterinary Officer at:

80 Abercromby Street, Port of Spain  
Telephone: 868-625-5997; 625-1473

Email: [aphmalmr@gmail.com](mailto:aphmalmr@gmail.com)

## **Birds**

To take a pet bird (including psittacine) to Trinidad and Tobago, you must receive permission from their Wildlife Division. They will issue an approval which must be brought to the Ministry of Agriculture, Land and Marine office in order for an import permit to be issued.

Agricultural County Offices are open to the public every Wednesday from 8:00 am to 4:00 pm, except public holidays. To find out what county office is responsible for your area, call the Ministry of Agriculture, Land and Fisheries at (868) 622-1221-5.

## **Ferrets**

To take a ferret to Trinidad and Tobago, you must receive permission from their Wildlife Division. They will issue an approval which must be brought to the Ministry of Agriculture, Land and Marine office in order for an import permit to be issued.

Agricultural County Offices are open to the public every Wednesday from 8:00 am to 4:00 pm, except public holidays. To find out what county office is responsible for your area, call the Ministry of Agriculture, Land and Fisheries at (868) 622-1221-5.

## **Hamsters (Rodents)**

To take a hamster to Trinidad and Tobago, you must receive permission from their Wildlife Division. They will issue an approval which must be brought to the Ministry of Agriculture, Land and Marine office in order for an import permit to be issued.

Agricultural County Offices are open to the public every Wednesday from 8:00 am to 4:00 pm, except public holidays. To find out what county office is responsible for your area, call the Ministry of Agriculture, Land and Fisheries at (868) 622-1221-5.

## Other Pets

For pet travel requirements not listed, APHIS has not been officially informed by the foreign country about the requirements for your pet's travel. We recommend that you contact a government official of the country you are traveling to for more information.

## Countries Participating in the European Union

Austria

Belgium

Bulgaria

Croatia

Cyprus

Czech Republic

Denmark

Estonia

Finland

France

Germany

Greece

Hungary

Republic of Ireland

Italy

Latvia

Lithuania  
Luxembourg  
Malta  
Netherlands  
Northern Ireland\*  
Norway\*\*  
Poland  
Portugal

Romania  
Slovakia  
Slovenia  
Spain  
Sweden  
Switzerland\*\*

\* Northern Ireland is part of the United Kingdom (UK), but will continue to follow European Union (EU) requirements even though the UK is no longer part of the EU.

\*\* Norway and Switzerland are **not** part of the EU but have adopted EU legislation for import of most species of live animals.

## Important Travel Considerations

### Considerations for airline travel and cruises:

Airlines and shipping lines have their own policies and requirements for transporting pets. Check with your airline or shipping representative to determine what requirements they may have.

[Learn how you can improve the safety of dogs and cats during air travel.](#)

[View additional information for pet owners, airlines, and others about APHIS endorsement of international health certificates \(239.52 KB\).](#)

If pets or support animals accompany you on a cruise, you must comply with entry rules for **every** country or port where your pet or support animal exits the ship.

## **Will you be returning to the United States with your pet?**

[View APHIS Requirements](#)

**ALERT:** CDC is the primary authority for dog imports. For requirements or questions about dogs entering or returning to the United States, visit the [CDC website](#).

## **If you are transiting (passing through) the European Union:**

If your pet is traveling through (transiting) a country in the European Union (EU) on the way to a third, non-EU country, you will also need a transit health certificate for your pet for the EU. The transit health certificate will be the same as if your pet's final destination was the EU country. Use the information and steps above under "Travel Requirements Based on Pet Type" to determine which health certificate should be used. [View a list of EU countries](#).
