Bring a Pet Cat (Domestic) into the United States

Last Modified:

APHIS Veterinary Services does not have any animal health requirements related to bringing (importing) a pet cat into the United States from a foreign country. See below to view other requirements for bringing pet cats into the United States from another country.

Other Federal Agency Requirements

Check with the <u>Centers for Disease Control and Prevention</u> and the <u>U.S. Fish and</u> <u>Wildlife Service</u>. These agencies may have regulations related to importing a cat into the United States.

U.S. State and Territory Requirements

Domestic movement requirements are set by the receiving State or Territory.

Visit the <u>National Association of State Departments of Agriculture</u> to find your destination's agriculture department and check its website for requirements.

For questions or clarification on any of the requirements, contact the <u>State or</u> <u>Territorial veterinarian's office</u>.
