# Record Of Self-Inspection For Spongy Moth

Last Modified:

- Current Start
- Confirmation
- Complete

## Information message

**Instructions:** Carefully inspect all of your outdoor household articles for spongy moth egg masses and other life stages. Remove and destroy any egg masses or other life stages you find, and then complete this form to self-certify that your outdoor household items are free of spongy moth. Visit

[Your Move Spongy Moth Free Website](#) for more information.
