Mobile Data Collection Tools: Training Events

Last Modified:

Meant to step users through electronic field data collection, live training events are approved and scheduled by pest program managers. Supervisors should review and recommend attendance as appropriate to data collection needs.

Zoom registration may be completed ahead using the links below and are inclusive of Federal employees and State cooperators.

There are no training events scheduled at this time. Check back soon for information about upcoming 2024 trainings!

Training On Demand

Completed trainings are available on the Mobile Data Collection Tools web page.
