NAHLN Laboratories

Last Modified:

This page provides important information for existing NAHLN labs, including SOP lists and maps of current NAHLN laboratories. The lists and maps are updated as changes occur. Information on joining the NAHLN is also provided below.

Use the dropdown menu to see NAHLN labs by designation level. You can also view these lists as PDFs: [Affiliate](#) (43.12 KB), [Level 1](#) (61.42 KB), [Level 2](#) (56.77 KB), or [Level 3](#) (43.08 KB).

Proficiency Testing

All proficiency tests for the NAHLN are administered through the National Veterinary Services Laboratories' (NVSL) reference laboratories.

[View the current list of proficiency test panels available from NVSL](#)

NAHLN Testing Requirements for Commercially Available Products

Information for commercial manufacturers of reagents and testing platforms on minimum validation requirements for acceptance into the NAHLN. Additional approvals by the [NVSL](#), VS' [Center for Epidemiology and Animal Health](#), and the appropriate commodity program may be required prior to deployment of new test methods to NAHLN laboratories.

For questions regarding this process, contact the NAHLN Program Office at nahln@usda.gov. For information on test panel availability, contact nvsl.info@usda.gov.
