## Proficiency Test Panels Available From the NVSL

Last Modified:

The following proficiency test panels are available from the NVSL on a regularly scheduled basis.

Other panels, listed in the Reagents Catalog, are available upon request. To view the Reagents Catalog and ordering information, visit [Reagents and Proficiency Tests From NVSL](#).

Click on the lab link to view contact information for the lab providing the proficiency panel.

| Name (all in PDF format)                       | Format        | Target Distribution | Lab                                                          |
|------------------------------------------------|---------------|---------------------|--------------------------------------------------------------|
| <a href="#">African Swine Fever</a> (83.07 KB) | real time PCR | January             | <a href="#">Foreign Animal Disease Diagnostic Laboratory</a> |
