User Fees for Export Certification of Plants and Plant Products

Last Modified:

Phytosanitary certification is funded directly by user fees according to Title 7, Code of Federal Regulations, Part 354.

PPQ-Issued Certificates

User Fee for Phytosanitary Certificates

Commercial Shipments (value of \$1,250 or more)	\$106
Non-Commercial Shipments (value of less than \$1,250)	\$61

Phytosanitary certificates may require replacement upon request of the applicant.

User Fee for Replacements (including split and combine)

Reduced Rate for First Replacement Certificate	\$15
All Subsequent Commercial Replacement Certificates	\$106
All Subsequent Non-Commercial Replacement Certificates	\$61

Phytosanitary certificates issued by PPQ on overtime are subject to both the overtime fees and the associated certificate fee.

State- or County-Issued Phytosanitary Certificates

Phytosanitary certificates (including replacements) issued by State and County ACOs are subject to a PPQ administrative fee. In addition to collecting the PPQ administrative fee, PPQ can collect the State and County fees. For information on State or County fees, refer to [State/County Fee Participation Contact Information](#).

PPQ Administrative Fee¹

State or County PCIT-Issued Phytosanitary Certificate \$6

¹ 7 CFR 354 allows for a \$12 administrative fee for four-part handwritten paper certificates; however, trading partners will no longer accept this type of certificate.

User fees (including the PPQ administrative \$6 fee) are **not** charged for phytosanitary certificates that are replaced due to ACO error.
