NVAP Presence at Upcoming Conferences

Last Modified:

The conferences listed below offer selected modules that provide credit for APHIS-Approved Supplemental Training for accreditation renewal.

APHIS does not charge any fee nor require advanced registration for these training opportunities; however, the meeting itself may require an attendance fee. It is your responsibility to determine if the conferences listed below also provide Continuing Veterinary Education credit toward your State license renewal and whether registration at the conference is required for training module attendance.

You will need your [National Accreditation Number \(NAN\)](#) to receive credit for each lecture.

Conferences
