APHIS Announces 2023 AQI User Fee Proposed Rule Cost Model Video

[Print](#)

On August 11, 2023, APHIS published a proposed rule in the *Federal Register* outlining proposed changes to its user fees charged for certain Agricultural Quarantine and Inspection (AQI) services. In association with this proposed rule, APHIS made its Activity Based Cost (ABC) model data available for viewing and download. To clarify for stakeholders, APHIS has added a video to the [cost model data web page](#) providing an overview of the APHIS AQI program cost models and how to use the cost model data provided.
