APHIS Announces 2023 AQI User Fee Proposed Rule Stakeholder Webinar Recordings

[Print](#)

On August 11, 2023, APHIS published a proposed rule in the Federal Register outlining proposed changes to its user fees charged for certain Agricultural Quarantine and Inspection (AQI) services. In association with this proposed rule, APHIS held six stakeholder webinars for stakeholders impacted by each fee. Each webinar targeted a separate fee area and included a question and answer session. Recordings are now available on the [stakeholder webinars](#) page.
