Great Britain - Fresh or Chilled [Untreated] Ungulate Hides [GBHC540; EU Chapter 5(A) equivalent] - VALID ANYTIME

Last Modified:

Great Britain includes England, Wales, and Scotland; references to Great Britain should be interpreted to also mean the Channel Islands and the Isle of Man.

Model health certificate for fresh or chilled hides and skins of ungulates [5(A) Equivalent]

To be eligible for this certificate, a facility must be listed for [and the materials must meet the requirements of] the Regulation 142/2011 as amended “CHAPTER 5(A) Health certificate for fresh or chilled hides and skins of ungulates, intended for dispatch to or for transit through the European Union”.

Please contact your [Veterinary Services Export Trade Services](#) for details on how to request required listings and certificates.

Please select the appropriate certificate below. The health certificate and notes for completion are two separate documents. When submitting the certificate(s) for

endorsement to the service center, it is required to include both the certificate and the notes for completion with the appropriate line-outs. The notes section is not required to accompany the certificate or consignment, but is provided with line-outs to assist exporters and endorsing officials.
