# Great Britain - Pig Bristles [GBHC571; EU Chapter 7(A) equivalent] - VALID ANYTIME

Last Modified:

**Model health certificate for pig bristles from countries or regions thereof that are free from African swine fever [7(A) Equivalent]**

**To be eligible for this certificate, a facility must be listed for [and the materials must meet the requirements of] the Regulation 142/2011 as amended “CHAPTER 7(A) Health certificate For pig bristles from third countries or regions thereof that are free from African swine fever, intended for dispatch to or for transit through<sup>2</sup> the European Union”.**

Please contact your [Veterinary Export Trade Services](#) for details on how to request required listings and certificates. The health certificate and notes for completion are two separate documents. When submitting the certificate(s) for endorsement to the service center, it is required to include both the certificate and the notes for completion with the appropriate line-outs. The notes section is not required to accompany the certificate or consignment, but is provided with line-outs to assist exporters and endorsing officials.
