Georgia, Republic of - Processed Pet Food (Canned) [EU Chapter 3(A) equivalent]

Last Modified:

Veterinary (Health) certificate for canned petfood intended for dispatch to or for transit through Georgia [3(A) equivalent]

To be eligible for this certificate, a facility must be listed for [and the materials must meet the requirements of] the Regulation 142/2011 as amended “CHAPTER 3(A) Health certificate for canned petfood, intended for dispatch to or for transit through the European Union”.

Please contact your local [VS Field Operations Veterinary Export Trade Services \(aka VS Service Center\)](#) for details on how to request required listing and certificate.

For guidance regarding the preparation of section one (first two pages) of this certificate, please see the relevant portions of: [Guidelines for Preparation of Regulation \(EU\) 142/2011 Export Certificates](#)

This certificate should not be transferred to Veterinary Services letterhead - instead it should be printed (by the VS Service Center) prior to VS endorsement duplexed directly onto VS Security Paper.

Please select the appropriately lined-out certificate below based upon the animal-origin ingredients included in the pet food:
