WS and VS Leads Animal Health and Wildlife Management Presentation at Fond du Lac Tribal and Community College

[Print](#)

On March 20th, 2025, in Cloquet, Minnesota, WS and VS staff led a presentation at Fond du Lac Tribal and Community College. The presentation delivered a better understanding of APHIS, APHIS' WS and VS support units, concerning Disease Protection, Veterinary Biologics, Wildlife Damage Management and Research. The objective, to share the important work APHIS contributes to protecting our agriculture and natural resources.
