For Veterinary Students

Last Modified:

Below are the links to the virtual orientation training for veterinary accreditation. Please note that not all states accept this orientation as an official option. To ensure your state recognizes these modules, please contact your National Veterinary Accreditation Program (NVAP) Coordinator using the link provided below before proceeding.

NVAP Coordinators

NVAP coordinators are available to assist you with obtaining, maintaining, and updating your accreditation. As an accredited veterinarian, you must notify APHIS when your home or business contact information changes, one of your veterinary

licenses expires or otherwise lapses, or you need to become authorized to perform accredited duties in an additional State.

Contact your NVAP coordinator for help with these needs or anything else related to your accreditation.
