How to Order Publications

To order your publications complete the following steps:

1. Go the following website and place your order: <http://www.aphis.usda.gov/publications/>
2. Under Publications, click on APHIS Publications Ordering System
3. Under Publications Ordering System, go to Current Program, click on drop down arrow and click on your program
4. Scroll down to the desired publication number and double click on the publication number to open the item
5. Add your Quantity and click on Add to Cart
6. If you would like to order more items click on Back To Item List
7. After ordering is complete click on View Cart
8. Enter your contact and ship to information
9. Then click Submit Order
10. Print order page for your personal files

Once your order is received by PDMCS, all available publications will be packaged and sent to you.
