

Notice of intent to import fertile hatching eggs (NOI)

Prior to filling out this NOI form, please make sure you have already:

- booked either the government post-entry quarantine (PEQ) facility or approved arrangement (AA) site
- applied for your import permit
- submitted an approved operational plan to the government PEQ or AA facility
- advised the Australian Centre for Disease Preparedness (ACDP – formerly AAHL) of the testing schedule and any changes that could accompany this.

Note: Please visit the [Notice to Industry – Fertile hatching egg \(poultry\) imports](#) on the department website for more information regarding the above requirements.

Once completed, you must email this form to the department no later than one week prior to the scheduled arrival of the fertile hatching egg/s ('eggs'). Appendix A and any relevant attachments must be submitted no later than three business days prior to export of the eggs.

Email to avianimports@awe.gov.au and either:

- the government facility manager: micklehamavian@awe.gov.au, or
- for AA sites, the supervising Veterinary Officer: ceranimalimports@awe.gov.au.

Flight number/s:	
Number of waybill:	
AIMS Entry Number:	
Import permit number:	
Booked PEQ/AA site and if applicable, booking number for PEQ facility:	
Country of export:	
Place of loading in country of export:	
First landing place in Australian territory:	
Each landing place in Australian territory where eggs are intended to be unloaded:	
Estimated day and time of arrival for first landing place and place where eggs are intended to be unloaded:	

Description of eggs – number and type of eggs:	
Details of eggs – completion of Appendix A: Pre-export compliance statement. Note: Appendix A and any necessary attachments (e.g. laboratory reports) must be provided at least three working days prior to scheduled uplift for assessment of pre-export compliance. The department will not provide approval for the eggs to be uplifted until satisfied that pre-export compliance has been demonstrated.	Either: <input type="checkbox"/> Provided with this NOI; or <input type="checkbox"/> Expected date of provision: _____
Person intended to transport goods from final landing place/port to final destination in Australian territory (<i>name and contact details</i>):	
Transport plan from final landing place to post-arrival quarantine facility, including transport contingency plan: <i>(may be provided as an attachment)</i>	
Owner of the eggs (<i>name and address</i>):	
Person filling out NOI (<i>name and contact details</i>):	

Appendix A: Pre-export compliance statement

Health certificate requirement	Detail
Import permit number:	
Exporter:	
Any permit variations?	Yes / No <i>(circle one)</i>
Source flock names and addresses:	
Number of birds in each source flock:	
Age of source flocks at commencement of egg collection (in weeks or provide hatch date):	
Egg collection dates:	
Are the source flocks Newcastle disease vaccinated?	Yes / No <i>(circle one)</i>
Are the source flocks avian pneumovirus vaccinated?	Yes / No <i>(circle one)</i>
Avian influenza sample collection date:	
Avian influenza test results are attached:	Yes / No <i>(circle one)</i>
Newcastle disease and APMV-3 sample collection date:	
Newcastle disease and APMV-3 test results are attached:	Yes / No <i>(circle one)</i>
Salmonella serology sample collection date OR last two scheme sample dates:	
Salmonella serology test results are attached:	Yes / No / Scheme <i>(circle one)</i>
<i>Salmonella</i> Arizonae sample collection date OR last two scheme sample dates:	
<i>Salmonella</i> Arizonae test results are attached:	Yes / No / Scheme <i>(circle one)</i>

Health certificate requirement	Detail
Avian pneumovirus sample collection date:	
Avian pneumovirus test results are attached:	Yes / No <i>(circle one)</i>
Where there any positive results not specifically allowed by the import permit? Provide details and attach the advice from the Department of Agriculture, Water and the Environment allowing the positive result.	Yes / No <i>(circle one)</i>
