

**IMPORT HEALTH REQUIREMENTS OF BOLIVIA FOR DOGS AND CATS  
FROM THE UNITED STATES OF AMERICA**

Pet Dogs and Cats:

1. The animals must be accompanied by a health certificate (APHIS Form 7001) issued by An accredited veterinarian. Health certificates must be issued within 3 months prior to arrival.
2. The certificate must include the complete identification of the animal, including breed, sex and age, owner's name and address, address at destination, date of rabies vaccination and product used, and any other vaccines that were given.
3. The certificate does need to be endorsed by Veterinary Services and must be legalized at a Bolivian Consulate for a fee.
