**II.3. Attestation of animal welfare**

The animal described in Box I.28. was examined today <sup>(1)</sup> and found fit to be transported on the intended journey and arrangements were made to protect its health and well-being effectively at all stages of the journey.

**Notes**

References to European Union legislation within this certificate are references to direct EU legislation which has been retained in Great Britain (retained EU law as defined in the European Union (Withdrawal) Act 2018).

References to Great Britain in this certificate include Channel Islands and Isle of Man.

**Part I:**

Box I.8.: Provide the code of the country or part of the territory of the country as appearing in column 3 of Annex I to Commission Implementing Regulation (EU) 2018/659.

Box I.15.: Registration number (railway wagons or container and lorries), flight number (aircraft) or name (ship) and any other relevant information is to be provided. In case of unloading and reloading, the consignor must inform the Border Inspection Post of entry into GB.

Box I.23.: The container number and the seal number (if applicable) should be included.

Box I.28.: *Identification system:* The animal must bear an individual identifier which permits linking the animal to the identification document as defined in Article 2(b) of Commission Implementing Regulation (EU) 2018/659. Specify the identification system (such as ear tag, tattoo, brand, transponder) and the anatomic place used on the animal. The number of the accompanying passport must be stated and the name of the competent authority which validated it.

Age: Date of birth (dd/mm/yyyy).

Sex (M = male, F = female, C = castrated).

**COUNTRY: Countries OTHER than EU  
Member States and Norway**

**Re-entry after temporary export of not more than  
90 days  
Specific competitions - Registered horse GBHC042X**

II. Health information	II.a. Certificate reference no	II.b
------------------------	--------------------------------	------

**Part II:**

(1) The certificate must be issued on the day of loading or on the last working day before loading of the animal for dispatch to GB.

The re-entry after temporary export of this registered horse shall not be allowed when the animal was loaded either prior to the date of authorisation for re-entry into GB from the respective country or the part of the territory of the country referred to in point II.1.1., or during a period where restrictive measures have been adopted by GB against the entry of equidae from this country or this part of the territory of the country of dispatch.

(2) Code of the country or part of the territory of the country, and the Sanitary Group as appearing in columns 3 and 5 respectively of Annex I to Commission Implementing Regulation (EU) 2018/659.

(3) Delete statement if the attestation in point II.1.3. applies to the entire country of dispatch.

(4) Delete as appropriate.

This health certificate shall:

(a) be drawn up in at least a language understood by the certifying officer and English;

(b) be made out to a single consignee;

(c) be signed and stamped in a colour different to the colour of the printing;

(d) consist of a single sheet of paper or all sheets of paper required are part of an integrated whole and indivisible by inserting page numbers and total number of pages, and each page shall bear the certificate reference number at the top of the page and those pages are stapled and stamped.
