According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control numbers for these information collections are 0579-0020, 0036, 0048, 0101, 0156, 0278, and 0432. The times required to complete these information collections is estimated to average .25 to 1.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

OMB Approved 0579- 0020, 0036, 0048, 0101, 0156, 0278, and 0432

- I, the undersigned USDA Accredited Veterinarian, certify to the following statements:
- 1. The animals for export were visually examined prior to loading, showed no signs of any contagious diseases, and to the best of my knowledge they were not exposed to infectious agents of diseases of concern.
- 2. There have been no occurrences of unexplained mortality events in the premises of origin of the animals for export during the 30 days prior to shipment.
- 3. There have been no cases of OIE-listed aquatic diseases in susceptible species from the population of animals for export during the 30 days prior to shipment, including epizootic hematopoietic necrosis (EHN), epizootic ulcerative syndrome (EUS), Gyrodactylosis salaris, infectious hematopoietic necrosis (IHN), infectious salmon anemia (ISA), koi herpesvirus (KHV), red sea bream iridoviral disease (RSIVD), salmonid alphavirus (SAV), spring viremia of carp (SVC), and viral hemorrhagic septicemia virus (VHS).
