I, the undersigned Veterinary Official, hereby certify that the animals forming the present consignment,

- A. Have originated from a controlled establishment which is under regular veterinary control.
- B. Have been inspected within 3 days before loading and found to be healthy and free from any clinical signs of disease.
- C. Have originated from an establishment in which no cases of WSSV, TSV, IHHNV, IMNV, NHP have been recorded during the last two years.
- D. Have originated from an establishment in which no cases of other viral diseases (not described in section C) have been recorded during the last two years.
- E. Have originated from a farm which is not in contact through the water with other farms affected by viral diseases.
- F. Have originated from a farm whose sales have not been prohibited by sanitary regulations and have not been in contact with other fish coming from such farms.
- G. This certificate has been issued within 96 hours before shipment and is valid for 10 days.
