

Barbados - Important information regarding trade bans and other restrictions

Poultry products:

Generally restrictions have been lifted for poultry products from the United States. It may be advisable for exporters to inquire of any import permit for poultry products that have not been heat treated and that derive from States that reported HPAI outbreaks. Poultry meat (certified by USDA FSIS) is ineligible for production dates as follows:

Arkansas on or after February 18, 2015 and before July 14, 2015.
California on or after January 1, 2015 and before May 26, 2015.
