

Chile - Important information regarding trade bans and other restrictions

Porcine blood products:

Chile SAG has notified that effective May 15, 2014, Chile bans for a period of 6 months the importation of live swine and porcine blood products intended for animal feeding from countries considered affected by porcine epidemic diarrhea virus. The document is available from <http://custodiafirma1405.acepta.com/v01/66132908c7cabab283e96adf79fc61bac1831fa5>.
