

## **Samples intended for Research or Diagnostics**

Denmark does not require government certification for research and diagnostic samples.

The Danish importer must obtain an import permit.

For more information on obtaining import permit, the Danish importer may contact:

**The Danish Veterinary and Food Administration**

**Head Office**

Stationsparken 31-33

DK 2600 Glostrup

Tel. +45 72 27 69 00

Fax +45 72 27 65 01
