

## **Dominican Republic - Important information regarding trade bans and other restrictions**

States with current restrictions for export of raw products containing poultry origin ingredients include:

- Colorado
- Delaware
- Idaho
- Indiana
- Iowa
- Kansas
- Kentucky
- Maine
- Maryland
- Michigan
- Minnesota
- Missouri
- Montana
- Nebraska
- New Jersey
- New York
- North Carolina
- North Dakota
- Oklahoma
- Oregon
- Pennsylvania
- South Dakota
- Texas
- Utah
- Washington
- Wisconsin

Products containing poultry origin materials which undergo a heat treatment are eligible for export from any of the states listed above, but must be accompanied by a VS Animal Product Export Certificate VS Form 16-4 with a statement under “Additional Declarations” indicating the following:

**“The product has been subject to thermal process with temperatures above 70°C for at least 30 minutes or a treatment that exceeds these parameters”**
