

## **Ecuador - Important information regarding trade bans and other restrictions**

### **Poultry products:**

On April 16, 2015, the government of Ecuador issued a resolution that all poultry products from the United States are banned. As a result poultry products are ineligible / banned with an effective date of April 16, 2015.

On May 22, 2015 AGROCALIDAD lifted the ban for processed products; the ban is still in place for fresh/frozen meat.

NIES recommends that an import permit should be presented for any heat-treated poultry products and that the exporter ship at their own risk.
