

Passenger Baggage (including Fishing Gear and Riding Clothes/Boots/Equipment)

Iceland requires all fishing gear and riding clothes/boots to be disinfected. The disinfection can be done at Reykjavik-Keflavik airport by the company ICEPARK. For more information travelers should contact ICEPARK by e-mail icepark@icepark.is or phone (+354) 425 0444.

APHIS does not endorse/certify any documents related to these materials.

Used riding equipment, such as saddles, bridles, nosebands, pads, rugs, whips, etc. and riding gloves may not be taken into Iceland.
