

## **Indonesia – BSE Ban**

We have received notification from the Indonesian Ministry of Agriculture imposing a temporary import ban on bovine products from the United States.

The following bovine origin materials are no longer eligible for export to Indonesia:

1. Meat Bone Meal (MBM)
2. Offals
3. Bone in Meat
4. Gelatin made from bone

Products shipped before April 24, 2012 will be allowed entry into the Indonesian territory by providing a Bill of Lading stating that the shipment executed before April 24, 2012 completed with other documents through document verification at the border done by the Indonesian Animal Quarantine Office.
