

Tanned or Semi-Tanned Skins and Hides from Any Species

The certificate statements listed in this document are for the export of tanned or semi-tanned skins and hides derived from any species. Exporters should coordinate with the importer to ensure all of SENASICA's product and documentation requirements for the shipment are met.

The bilingual certification statements below should be provided in the Additional Declarations section of the certificate Export Certificate for Animal Products (VS Form 16-4). A notarized affidavit from the manufacturer is required to support these statements.

Certificate Statements:

This office has on file a notarized affidavit from [company name] verifying the accuracy of the statements below. / Esta oficina tiene en sus archivos una declaración jurada de [nombre de la compañía] certificando la veracidad de las afirmaciones enunciadas a continuación:

- 1) The skin/hides are of United States origin. / *Las pieles son originarias de Estados Unidos.*
- 2) During the manufacturing processing necessary measures were taken to avoid contamination with other animal products or by-products with a lower animal health condition. / *Que durante el proceso de elaboración se tomaron las medidas necesarias para evitar la contaminación con otros productos o subproductos de origen animal de menor calidad zoonosanitaria.*
- 3) The product was subject to the following process (e.g. wet-blue, chromo, etc.) _____. / *El producto fue sometido al siguiente proceso (al crost, wet-blue, cromo, etc) _____.*
