

Pet Treats and Similar Products Not Containing Animal Product Ingredients
for Export to Mexico

The export to Mexico of products intended for animal feeding but that do not contain animal product ingredients require a certificate issued by APHIS Veterinary Services. This is the case for pet treats.

A letterhead certificate may be requested and should be formatted as the model certificate below. The certification statements below are required on the letterhead certificate issued by the Area office. A notarized affidavit from the manufacturer is required to support the statements on the certificate issued by APHIS Veterinary Services.

Required certification statements:

This is to certify that rinderpest, foot-and-mouth disease, classical swine fever, swine vesicular disease, African swine fever, and contagious bovine pleuropneumonia do not exist in the United States of America. / *La presente es para certificar que en los Estados Unidos no existe rinderpest, fiebre aftosa, fiebre porcina clásica, enfermedad vesicular del cerdo, fiebre porcina africana ni pleuroneumonía contagiosa bovina.*

This office has on file a notarized affidavit from (name of company) verifying the accuracy of statement below. / *Esta oficina mantiene en archivo una declaración notarial de [nombre de la compañía], verificando si lo detallado abajo es lo preciso.*

Certified materials described below contain no ingredients of animal origin. / *Los materiales certificados abajo descritos no contienen ingredientes de origen animal.*
