

Lanolin/Wool Grease (and Derived Products) intended for Technical Purposes

The United Kingdom (UK) does not currently require government certification for lanolin intended for technical purposes.

Consignments of lanolin/wool grease to the UK should be accompanied by commercial documentation from the manufacture or consignor of the product stating at least the following information:

- Name and address of consignor
- Name and address of consignee
- Country of origin
- Description of product/ weight/ amount/
- Purpose of import

For additional information, the U.S. exporter should have their importer in the UK contact:
