

## Uzbekistan – PEDv Ban on Pork & Pork Products

APHIS has received notification that Uzbekistan has placed a temporary ban on the import of pork and pork products, including swine feed (excluding earlier issued permits) from the United States. The ban went into effect on 24 January 2014.

Exporters of pork products or products containing pork should submit a copy of a valid import permit, issued by the appropriate Uzbekistan Ministry, with any requests for VS endorsement. The import permit must provide the import conditions and authorization for entry into Uzbekistan after implementation of the ban.

APHIS is seeking additional information on the ban and will distribute information as it becomes available.
